How long have you coached a GCCSA team? This is the fourth

team I have coached for GCCSA. 7 seasons total.

What do you like most about coaching? I really enjoy teaching the game to young players and getting them to enjoy the game first.

What do you like least about coaching? Umm, there's not really anything. Except maybe when the players would rather talk and play and you cannot get anything done.

What is your favorite GCCSA coaching memory? I coached a

U13 girls team the fall of 1999. We won the rec tournament on penalty kicks and then went to Morehead City and placed 3rd in the rec state tournament. I was so proud and it was so exciting. That group of girls was awesome and I still keep in touch with a few now.

what advice would you give to a new coach? Don't let anyone tell you what you should do. You know your team and you know what they need! Be confident but don't be afraid to ask for help if you need it!
