Upcoming Recreation Tournament Opportunities

There are numerous NCYSA sanctioned Rec tournaments available for registered GCCSA Recreation players.

Many of the tournaments do not require teams to be "intact" rec. teams, but can be compiled from available recreation players in an age group.

So for example if players

from several U12 teams would like to get together and travel to compete in a tournament they just have to be registered with GCCSA, not together from a specific team.

For a complete list of NCYSA sanctioned recreation tournaments visit the website at www.ncsoccer.org or see page 8 of the newsletter for a

partial listing.

If coaches are interested in taking a GCCSA Recreation Tournament Team to a tournament contact George Skeith, David Walker or Aron Goss for more information.

Contact information for those GCCSA representatives can be found on our website; www.gccsasoccer.com

'99 Lady Cobras Final League Game is Sunday

The Charlotte skyline as viewed from the sidelines of Independence Park.

The '99 Lady Cobras travelled to Charlotte to take on Charlotte United Futbol Club (CUFC) Speed Hanover this past weekend.

The Charlotte skyline served as the backdrop at the field at Independence Park and provided a dramatic setting for a soccer game.

The Lady Cobras played well. They moved the ball effectively and defended as a unit. Al-

though they came out on the wrong end of the score line the players continue to improve individually and as a team. Playing in the highest bracket (Gold) of the CAYSL Challenge League has given the Cobras the chance to test themselves each week.

Up next for the '99 Lady Cobras is the final regular fall season game on the road against Lake Norman Soccer Club (LNSC) Earthquake.

We are proud of you Lady Cobras!

Zack Ledbetter, Caden Sheely and David Blankenship, right anchor a defensive line that has held opponents to an average of 1.2 goals per game over the last 11 games.
